

# 88 Days: A True Story of Somali Pirates, Captivity, and Survival in the Indian Ocean

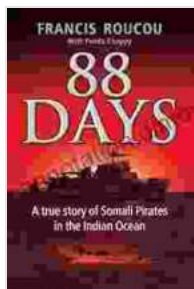

## A Harrowing Tale of Courage and Resilience

In 2009, the crew of the yacht *Quest* was sailing off the coast of Oman when they were ambushed by a group of Somali pirates. The pirates

boarded the Quest and held the American family onboard hostage for 88 days.

During those 88 days, the hostages endured unimaginable hardship. They were held in unsanitary conditions, subjected to violence and threats, and forced to live in constant fear for their lives. But amidst the darkness, they found strength and resilience in each other.
