

# Diary of a Rich Village Girl with a Sneaky Ocelot

My name is Anya, and I am a rich village girl. I live in a beautiful village in the countryside, with my parents and my little brother, Boris. We have a large house, with a big garden and a swimming pool. I go to a private school, and I have lots of friends.

I am also the proud owner of a sneaky ocelot named Mittens. Mittens is a very clever and playful cat, and she loves to get into mischief. She is always sneaking around, and she is always getting into things that she shouldn't.

I love Mittens very much, and I wouldn't trade her for the world. She is my best friend, and she always makes me laugh.

March 10th

Dear Diary,

Today was a very exciting day! I woke up early and went for a walk in the forest with Mittens. We saw a deer, and Mittens tried to chase it. It was so funny!

After our walk, we came home and I had breakfast. Then, I went to school. I had a math test today, and I'm pretty sure I failed. I'm not very good at math.

After school, I went home and played with Mittens. We played hide-and-seek, and she was so good at hiding! I couldn't find her for ages.

Dinner was delicious tonight. We had roast chicken with potatoes and carrots. After dinner, I helped my mom with the dishes.

I'm going to bed now. I'm tired, but I'm also very happy. I love my life!

## **March 11th**

Dear Diary,

Today was a bit of a disaster. I woke up late and I was in a bad mood. I went to school and I was late for my first class. The teacher was angry with me, and I felt really bad.

After school, I went home and I was still in a bad mood. I took it out on Mittens, and I was mean to her. I feel really bad about it now.

I went to bed early tonight. I'm hoping that tomorrow will be a better day.

Dinner was delicious tonight. We had pizza with chips and salad. After dinner, I helped my dad with the gardening.
