In 1878, Caldecott published his first children's book, "The House That Jack Built." Its success propelled him into the realm of children's literature, where he became renowned for his unique style. Caldecott's illustrations combined humor, imagination, and a meticulous attention to detail.

## **Illustrating the Classics**

Caldecott's signature style found its perfect expression in illustrating popular nursery rhymes and fairy tales. His iconic illustrations for "Hey Diddle Diddle," "Sing a Song of Sixpence," and "Little Jack Horner" have become synonymous with these beloved rhymes.

Caldecott also brought his magic to the world of classic literature. His illustrations for "The Babes in the Wood" and "Gulliver's Travels" are considered masterpieces of children's book illustration. The intricate details and vivid colors in these illustrations captivated readers and helped bring these stories to life.

## **The Caldecott Medal**

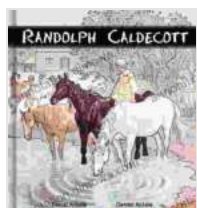

In recognition of his immense contributions to children's literature, the Caldecott Medal was established in 1938. This prestigious award is given annually to the artist of the most distinguished American picture book for children. The Caldecott Medal has become a benchmark of excellence in children's book illustration, inspiring generations of artists to follow in Caldecott's footsteps.

## **145 Children's Illustrations: A Visual Feast**
