Individual Weapon Handling

The first part of MCIP 10A-4I covers individual weapon handling. This section provides detailed instructions on how to operate the M16A4 rifle, the M249 Squad Automatic Weapon (SAW), and the M320 grenade launcher. It also covers basic marksmanship skills, such as zeroing your weapon and engaging targets at different ranges.

Squad-Level Fire and Maneuver

The second part of MCIP 10A-4I covers squad-level fire and maneuver. This section provides detailed instructions on how to conduct squad-level fire and maneuver operations, such as fire and movement, bounding overwatch, and flanking attacks. It also covers how to operate in different terrain and weather conditions.

Leadership and Command

The third part of MCIP 10A-4I covers leadership and command. This section provides guidance on how to lead a Marine rifle squad. It covers topics such as squad organization, leadership styles, and decision-making. It also covers how to prepare your squad for combat and how to conduct after-action reviews.

MCIP 10A-4I is the definitive guide to squad tactics and operations. It is a must-have for any Marine who wants to master the art of infantry combat.
