A Book Review

New Directions in Indigenous Studies is a groundbreaking new book that explores the latest research and scholarship in the field of Indigenous studies. Edited by leading Indigenous scholars, the book brings together a diverse range of perspectives on the most critical issues facing Indigenous peoples today.

The book is divided into four parts. The first part, "Sovereignty and Self-Determination," examines the historical and contemporary struggles of Indigenous peoples for self-governance and autonomy. The second part, "Culture and Identity," explores the diverse cultures and identities of Indigenous peoples around the world. The third part, "Education and Research," examines the challenges and opportunities for Indigenous education and research. The fourth part, "Community and Development," explores the ways in which Indigenous communities are working to improve their own lives and the lives of their people.

New Directions in Indigenous Studies is an essential resource for anyone interested in the latest research and scholarship in the field of Indigenous studies. The book provides a comprehensive overview of the most critical issues facing Indigenous peoples today, and it offers a valuable resource for scholars, activists, and policymakers working to address these issues.

About the Editors

The editors of New Directions in Indigenous Studies are leading Indigenous scholars who have made significant contributions to the field. They are:

- Dr. Jeannette Armstrong, a member of the Syilx Okanagan Nation and a professor in the Department of First Nations and Indigenous Studies at the University of British Columbia
- Dr. Daniel Justice, a member of the Cherokee Nation and a professor in the Department of English at the University of California, Berkeley
- Dr. Audra Simpson, a Mohawk scholar and a professor in the Department of Anthropology at the University of Toronto

Reviews

"New Directions in Indigenous Studies is a must-read for anyone interested in the latest research and scholarship in the field. The book provides a comprehensive overview of the most critical issues facing Indigenous peoples today, and it offers a valuable resource for scholars, activists, and policymakers working to address these issues." - Dr. Winona LaDuke, Ojibwe activist and scholar

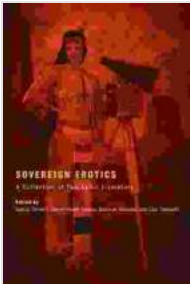

"This book is a major contribution to the field of Indigenous studies. It brings together a diverse range of perspectives on the most critical issues

facing Indigenous peoples today, and it offers a valuable resource for scholars, activists, and policymakers working to address these issues." - Dr. Vine Deloria Jr., Standing Rock Sioux scholar and activist
