**By Steve Schirripa**

Steve Schirripa is best known for his roles as Bobby Baccalieri on *The Sopranos* and Detective Anthony Abetemarco on *Blue Bloods*. But before he was a successful actor, Schirripa was just a shy and awkward teenager growing up in Bensonhurst, Brooklyn.

In his new memoir, *Places Please Becoming Jersey Boy*, Schirripa chronicles his journey from a shy and awkward teenager to a successful

actor. The book is a funny and moving account of growing up in a working-class Italian-American neighborhood, coming to terms with his sexuality, and finding his place in the world.

Schirripa's writing is honest and self-deprecating, and he doesn't shy away from sharing the difficult moments in his life. He writes about his struggles with weight, depression, and anxiety. He also writes about his experiences with homophobia and discrimination.

But despite the challenges he faced, Schirripa never gave up on his dreams. He eventually found his way to acting, and he has since become one of the most successful actors in Hollywood.

Places Please Becoming Jersey Boy is more than just a memoir. It is a story about perseverance, self-acceptance, and the power of dreams.

If you are a fan of The Sopranos or Blue Bloods, or if you are just interested in a good story about a working-class Italian-American kid who made it big, then you will love Places Please Becoming Jersey Boy.

## **Reviews**

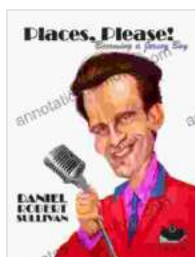

"Schirripa's memoir is a funny and moving account of growing up in a working-class Italian-American neighborhood, coming to terms with his sexuality, and finding his place in the world." - The New York Times

"Places Please Becoming Jersey Boy is a must-read for fans of The Sopranos or Blue Bloods. But even if you're not a fan of either show, you'll still enjoy Schirripa's honest and self-deprecating writing." - The Washington Post

"Schirripa's memoir is a reminder that no matter where you come from, you can achieve your dreams if you never give up." - The Chicago Tribune
