One day, Ricky and Squeaky are playing in the backyard when they see a strange object in the sky. It's a spaceship shaped like a unicorn, and it's heading straight for Earth!

Ricky and Squeaky know that they have to stop the spaceship, but they don't know how. They're just two small mice, and the spaceship is huge!

But Ricky and Squeaky are determined to save the day. They build a giant robot suit and take off into space.

The robot suit is powerful, but it's not enough to stop the Uranium Unicorns. The unicorns are too fast and too strong.

Just when it seems like all is lost, Ricky and Squeaky discover a secret weapon: a bunch of cheese!

The Uranium Unicorns love cheese. They can't resist it.

Ricky and Squeaky use the cheese to lure the Uranium Unicorns into a trap. They then blast the unicorns with the robot suit's laser beams.

The Uranium Unicorns are defeated, and the Earth is saved.

Ricky and Squeaky are heroes!
