

Start The Car: The World According to Bumble

In the world of dating, there's no shortage of advice. But what if the best advice came from the world's most popular dating app? Bumble, the app that empowers women to make the first move, has compiled a collection of essays from its users that explore the modern dating landscape.

In Start The Car, Bumble users share their stories of love, loss, and everything in between. They write about the challenges of online dating, the joys of finding love, and the importance of being yourself. Bumble's unique perspective on dating makes this book a must-read for anyone who's ever swiped left or right.

Here's a sneak peek at some of the essays in Start The Car:

- "The First Move" by Bumble user Whitney Wolfe Herd: Whitney Wolfe Herd, the founder and CEO of Bumble, shares her personal story of

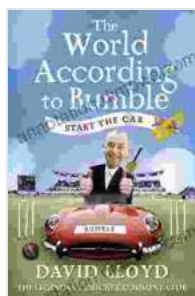

starting the app and her vision for a world where women are empowered to make the first move.

- "The Swipe Life" by Bumble user Aziz Ansari: Aziz Ansari, the comedian and actor, writes about the highs and lows of online dating. He shares his funny and insightful observations on the modern dating landscape.
- "The Love Experiment" by Bumble user Mandy Moore: Mandy Moore, the singer and actress, writes about her experience using Bumble to find love. She shares her tips for success and her advice for anyone who's looking for love.

Start The Car is a funny, honest, and inspiring look at the modern dating landscape. It's a must-read for anyone who's ever swiped left or right.
