The Year of Major Beginnings and Major Endings is a valuable resource for anyone who wants to learn more about the history of professional wrestling. Meltzer's book is full of insights and information, and it is a must-read for any serious fan of the sport.

### Major Beginnings

The year 2022 was a year of major beginnings in professional wrestling. AEW, a new wrestling promotion, launched in January and quickly became

a major player in the industry. AEW's success was due in part to its focus on young, talented wrestlers, and it quickly became a destination for some of the best wrestlers in the world.

Another major beginning in 2022 was the return of CM Punk to professional wrestling. Punk had been away from the sport for seven years, but he made a triumphant return to AEW in August. Punk's return was a major moment for the wrestling industry, and it helped to legitimize AEW as a major player.

## **Major Endings**

The year 2022 also saw some major endings in professional wrestling. Vince McMahon, the longtime owner and CEO of WWE, retired in July. McMahon's retirement was a major shock to the wrestling world, and it marked the end of an era in WWE.

Another major ending in 2022 was the解散 of the Undisputed Era, one of the most successful factions in NXT history. The Undisputed Era had been a dominant force in NXT for years, but they broke up in August after a series of losses.

## **Overall**

The year 2022 was a year of major beginnings and major endings in professional wrestling. AEW's success, CM Punk's return, and Vince McMahon's retirement were just a few of the major events that shaped the year. The wrestling industry is constantly evolving, and the year 2022 was no exception.

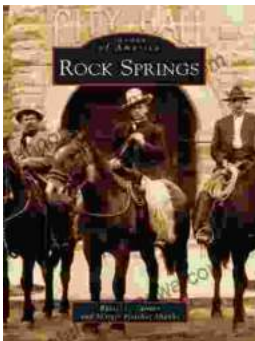

Dave Meltzer's book, *The Year of Major Beginnings and Major Endings*, is a must-read for any fan of professional wrestling. Meltzer's in-depth analysis and insider knowledge make this book a valuable resource for anyone who wants to learn more about the history of the sport.
