Amidst the chaos, a group of survivors emerges, each carrying their own scars and secrets. Led by Benny Imura, a former high school teacher, they navigate the treacherous landscape, scavenging for food and shelter while evading the relentless hordes of the undead.

From the Ashes, Hope Flickers

As the survivors struggle to stay alive, they discover a glimmer of hope in a secluded community known as Haven. But this sanctuary is not without its own perils. Rumors of betrayal and hidden agendas cast a shadow over the fragile peace that reigns within its walls.

With each passing day, the lines between humanity and monstrosity blur as the survivors are forced to make impossible choices. The undead menace is not their only enemy; they must also confront their own inner demons and the dark truths of their past.
