

Young Cam Jansen and the Substitute Mystery

Cam Jansen is a second-grader with a photographic memory. He can remember anything he sees, which comes in handy when he's solving mysteries. In **Young Cam Jansen and the Substitute Mystery**, Cam's class gets a substitute teacher, and they quickly realize that something is not quite right. The substitute is acting strangely, and the students are starting to disappear one by one.

Can Cam use his photographic memory to figure out what's going on and save his classmates? Find out in this exciting adventure for kids of all ages!
